**Our all-purpose
handmade soap is one
of the highest quality
soap on market and
suitable for all skin
types, for face skin,
hand wash and body
wash.**

Unlike most of the commercial soaps that are loaded with harmful chemical additives which make your skin dry, we offer handmade glycerin soaps that are soft, gentle, and act as a moisturizer for the skin. One can say goodbye to that itchy feeling that many commercial soaps leave behind and enjoy the soothing experience with our handmade soaps.

**Private Label Basic
Shampoo
will be a great addition to
your
product line especially
when
paired with the Private
Label
Basic Conditioner. This
product is available and
ready to go, with the
ability to change it slightly
to make it specific to your
needs.**

**You can trust
that your Lip
Balm product
will be
manufactured
and packaged
to your
specifications.**

**Alisar creates
fragrances for all
types of brands**

Alisar uses the goodness of each organic ingredient to maintain the purity and quality of the products. We have an assortment of scrubs catering to different needs while accomplishing one basic purpose of exfoliation. We as an experienced scrub manufacturer can help you the best by designing unique and different formulations.

Lip Scrub

Alisar uses the simplest and most effective key ingredients for lip scrub.

Our sugar cane particles act as the main base to exfoliate and with special oils to acts as divine softener to melt the dead skin texture completely.

Cleansers

**We can be your
single-point
source for all
cleansers'
private labeling
and contract
manufacturing
requirements.**

Shea Butter is pure and natural and loaded with Vitamin A. It is know to be an excellent moisturizer, with incredible healing properties for skin.

ALISAR provides companies with the opportunity to private label Shea Butter and develop custom formulas. Private label and wholesale Shea Butter is one of our top three fastest selling products.
